Here at Yarm Road, we are a proud family-run business, supported by our amazing team.

We were established in 1998, opening our very first shop in Barnard Castle. Since then, our journey has gone from strength to strength.

One of our greatest achievements has been winning the most prestigious accolade in the fish and chip industry — being crowned the best fish and chip takeaway in the UK. Not only does this make us incredibly proud, it also puts Darlington firmly on the map.

Our team works tirelessly to deliver the very best product, using the finest ingredients and providing outstanding customer service. We truly are lucky to have the best of the best.
